

March 20, 2020

Monday, March 23, 2020 – Closed

While we have no cases of Coronavirus (COVID-19) at Salish Cancer Center, we want to keep it that way. Salish Cancer Center will be closed on **Monday, March 23rd, 2020** for deep cleaning as assurance to support the cancer patients who rely on us.

Salish Cancer Center's response to the COVID-19 virus requests that you call before your appointment. We will be screening for symptoms at that time. When you arrive to your appointment, we will help you get checked in quickly, and make sure you know where you are going next. Our goal is to protect you, and your loved ones as well as our providers.

Patients who have assistance, we ask that one person to accompany them during these uncertain times.

Our goal is to continually provide the personalized cancer care you need through your journey.

Please visit our *Coronavirus Resource* page <https://www.salishcancercenter.com/coronavirus> for Symptoms & Prevention, and updates regarding the COVID-19 pandemic.

Sincerely,

Salish Cancer Center Leadership
