INNOVATIVE CANCER TREATMENT FOR ALL

Dear Provider,

Salish Cancer Center is happy to announce that we are currently accepting new Oncology and Hematology patients. Salish Cancer Center offers state of the art care to everyone. We understand that cancer is inclusive, so are we. Our clinic offers the following services to patients:

- The Integrative Model of Salish Cancer Center combines Medical Oncology that delivers cancer treatment at par with national standards and follows guidelines with options to complement with naturopathic oncology as well as adjunctive support focused on reducing side effects of treatment (acupuncture, etc.).
- Urgent new patient appointments within two to three business days
- Confirmation calls to encourage patient compliance
- Large and quiet infusion suite holding 23 infusion bays
- Acceptance of most major insurances including Medicare and all Medicaid plans
- On-site supplement pharmacy
- Oncology-certified infusion staff
- On-site Social Work and psychosocial support for patients

Our mission is to provide a transformational journey for everyone touched by cancer. We do so by being compassionate and respectful to the needs of our patients. We continue to have integrity in our work and empower patients in efforts to optimize their health.

We look forward to our partnership to encourage the recovery and healing of your patients.

Respectfully,  
Salish Cancer Center Leadership
